To the Parent or Guardian of: Ava Thompson
Student ID: 20418877
Campus: Maple Creek Middle School, Grade 7

NOTICE OF EXCESSIVE UNEXCUSED ABSENCES AND REQUIRED ATTENDANCE CONFERENCE

Dear Parent/Guardian:

District records reflect that the above-named student has accrued seven (7) unexcused absences during the current six-month period. State compulsory attendance law requires that a child attend school each day that instruction is provided, and the parent of a student required to attend school is responsible for ensuring the student's attendance.

You are hereby notified that an Attendance Improvement Conference has been scheduled for Thursday, November 5, 2026 at 3:45 p.m. in the Maple Creek Middle School front office conference room. Attendance by the parent or guardian is mandatory. If you are unable to attend at the scheduled time, you must contact the campus attendance clerk no later than 2 business days prior to the conference to arrange an alternate time.

Failure to participate in the conference or to comply with the resulting Attendance Improvement Plan may result in referral to truancy prevention measures, which may include referral to a truancy court.

Absences for which documentation is subsequently provided (e.g., a physician's note) may be reclassified as excused if such documentation is submitted within 5 school days of the student's return.

Attendance Clerk: Ms. Dana Ortiz, (555) 019-4471, dortiz@maplecreek-sample.org

Respectfully,
Office of Student Attendance
